

Welcome,

You are entering the Providence Dining Hall (*).

Here you can receive a meal free of charge.

The food we can offer is the same that has been donated to us and prepared by our volunteers.

We only ask you to have respect for the place you are entering, for the people who will share the food with you, and for those who have prepared it and, with your cooperation, will prepare it again tomorrow.

Thank you and enjoy your meal.

(* The **Providence Dining Hall** was founded 30 years ago by Father Antonino Butterini and Father Fabrizio Forti with the intention of providing a hot meal to all those in need. Then it was guided and grew up with Father Fabrizio, later with Father Massimo, then Father Luca Volpati and from September 2023 with Caritas, an institution of the Diocesi of Trento.

It is not a Public Institution.

It exists thanks to donations received from individuals, shopkeepers, associations, and organizations in the city, but above all thanks to the work of volunteers.

Opening hours: every day from 5:00 PM to 6:15 PM
